Reports of Committees

Club events and activities: Newly elected VP Jack Foreman posted a list of ideas of possible social activities for the club for the upcoming year. He also distributed the list and asked for other suggestions. RJ Munson suggested we coordinate some social activities with the Suncoast Corvette Club. Dave Mills thought the circus might be a good club event.

Membership: Newly appointed membership chair Austin Simpson reported this is the time to renew your membership and pay your \$20 dues for 2012. March is the deadline to renew. Members can renew and pay (via PayPal) on line. Austin asks that everyone complete the application form to account for any changes.

MCA: President Duke Clancy reported on MCA National shows for 2012. The Pensacola show in late March is the most convenient for our members this year. He encouraged us to consider going.

RJ Munson mentioned six local shows in the next couple of weeks.

November Show Report: President Duke reported that we have earned enough from our November, 2011 Ponies under the Palms Show that we are able to donate \$2000 to Southeastern Guide Dogs and another \$2000 to TideWell Hospice. He will invite a representative of each organization to a future meeting to discuss the mission and activities and to receive our check.

March Show

NMRA show chair, Austin Simpson, asked the club if we are willing to serve as the host club for this year's event on March 3 and 4. Discussion followed. Concerns involved past history of workers needing to be present by 7:00AM and working all day. He felt we may be able to get permission to have workers show up later to work a partial day. He will need about 32 workers. The club voted to participate if "shift work" is possible.

Guests: We had no guests for this month's meeting

New Business

We had no new business at this meeting.

Old Business

1. Joy Woodward and Dennis Kauser have both been working on name tags for club members to wear to meetings, events, and shows. Joy showed tag designs and Dennis showed lanyard/clip arrangements. The club liked a lanyard that could also be easily unclipped to hang on clothing.
2. Jack Foreman has been working closely with Tervis Tumblers and is now ready to take orders. The club must order a minimum of 50. A member could order 1 or more and have some custom work done. The cost will vary, but most could be about \$16. Members can download an order form from the club's website. Orders can be finalized at the February meeting.

Tech Talk/ Film Time

In the interest of time, we had no tech talk this month.

The meeting was adjourned at 8:15PM with some members retiring to a local restaurant to continue the fun.

Respectfully Submitted,

David Bishop, Secretary
